

Digital safety is a shared responsibility. This pledge invites students and their families to commit — together — to safer, smarter, kinder behaviour online.

SECTION A · CBSE Cyber Safety Pledge

As prescribed in CBSE Circular Acad-39/2026, Ministry of Home Affairs — I4C Initiative

1. I will always install mobile apps only from official websites or the Play Store.
2. I will not blindly trust social media groups or advertisements.
3. I will not trust calls from unknown numbers without verification.
4. I will always follow the principle of "Stop. Think. Then Take Action." for digital safety.
5. I will follow the Ministry of Home Affairs social media handle "Cyberdost" today and immediately.

SECTION B · COMPUDON Junior Additional Commitments

These commitments extend the CBSE pledge with skills from the COMPUDON Junior Season VII curriculum.

6. I will Think First — before I click, before I share, before I trust anything I see online.
7. I will protect my personal information and never share passwords, even with close friends.
8. I will speak to a trusted adult immediately if I see or experience anything online that makes me uncomfortable.
9. I will question what I read and watch online — checking sources before I believe or share.
10. I will use AI tools honestly, verify what they tell me, and never use them to cheat or deceive.
11. I will be kind online and will never take part in, or stay silent about, bullying or harassment of any kind.
